Letter no. Dy. 296-33 dt 10th April 1934 from the Dir. Edn forwarding the application of Mr. Linga Reddy and recommending that he may be treated as Supernumerary 1st class Inspector on Rs. 5-7½.

OFFICE OF THE DIRECTOR,

Dated Bangalore, 23rd March *193* 4.

FROM

A. V. RAMANATHAN, ESQ., B.A.,
Director of Industries and Commerce in Mysore,
Bangalore (India.)

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

I have the honor to state that I investigated carefully the question of reducing the cost of production of Silk in the Govt. Silk Filature at Mysore.

I discussed the subject in detail with the Superintendent of Sericulture and the Assistant Superintendent of Sericulture in - - charge of Filature when I was at Mysore recently and the following decisions were arrived at, in view of the reduced output of the - Filature -

1. That the post of the Filature Assistant on Rs 70/- plus Rs 10/- (G. O. No. L. 4301-3/A & E 118-21-8 dated the 2nd Febry. 1922) in the filature may be abolished.

2. That the grade pay of the Filature Accountant which now stands at Rs 50-4-70 (G. O. No. L. 4301-3/A & E 118-21-8 dated the 2nd Feb. 1922) may be abolished, the present Accountant who is drawing Rs 70/- reverted to his permanent post and the pay of the post fixed at - - Rs 50/- only.

The existing Filature Assistant and the Accountant are drawing Rs 80/- and Rs 70/- per month respectively. If the above decisions are given effect to, there would be a savings of Rs 100/- per month in the expenditure of the Filature.

The Assistant Superintendent in charge of the Filature and the Technical Assistant, i.e., Miss Sato on a pay of Rs 110/- can easily manage the technical portion of the work in the Filature. To reduce the Clerical work in the Filature and the unnecessary registration of correspondence between the Filature and the Superintendent's office, the offices of the Filature and the Silk Weaving Factory - will be combined, and the Assistant Superintendent will conduct the outgoing correspondence for cocoon purchases only in his own name, while all other correspondence will be in the Superintendent's name, the Assistant Superintendent assisting him.

I submit herewith for the information of Government of ~~Govern-ment~~, a copy of my official memorandum dated the 14th March 1934 - ordering the retrenchments in the staff of the Filature pointed above as also the re-distribution of work between the Assistant Superintendent of Sericulture and the Superintendent of Sericulture. The Filature staff is on temporary basis. It is seen therefrom that the Filature Assistant who holds a permanent lien in the Sericulture Department as Sericultural Inspector has been reverted to his permanent

permanent place. The Filature Accountant has been reverted to the Office of the Superintendent of Sericulture where he holds a permanent lien.

I request you to kindly obtain the orders of Government approving the action taken by me in this connection.

of Sericulture, and from the Superintendent of Sericulture to the Director of Industries & Commerce, need be made. But, such letters and returns will once for all emerge from the office in the name of the Superintendent.

The post of Filature Assistant on Rs.70 plus Rs.10/-, in the Government Filature is abolished. Consequently, Mr.T. Lingachetty, the permanent Filature Assistant on Rs.70/- plus Rs.10/- P.M., will revert to ~~in~~ his permanent place in the - Sericultural Department, as Second-class Inspector on Rs.35-2-4 and will draw Rs.45/- P.M.

Mr. H.R. Gundappa, who is now Second-class Inspector - Sub.Protem, in place of Mr. T.Lingachetty will be Second-class Inspector Sub Protem on Rs.35-2-45 in the seriatum arrangement connected with Mr. H.S. Venkata Rao's promotion as temporary Senior Sericultural Inspector.

Mr. A.N.Kempanna will revert as Temporary Sericultural Inspector for propaganda work on Rs.35/- P.M. Mr. C.S. - Narasimhayya will be Temporary Inspector on Rs.35/- P.M. for sericultural co-operation, and will continue to work in - Hindupur area.

Mr.M.Venkataramayya, ~~at~~ acting Inspector for Sericultural Co-operation work will revert to his permanent place of First-class operative on Rs.23/- P.M.

Mr. T. Nanjappa, the juniormost among the first-class operatives will revert as Temporary Second-class operative on Rs.18/- P.M. N. Ankegowda who was recently appointed as Temporary Second-class operative on Rs.18/- through the Central Recruitment Board will have no place in the Department. But, the Superintendent of Sericulture is requested to try and - provide for him in the Factories, temporarily, and in the - Department at the next opportunity.

FROM

A. V. RAMANATHAN, ESQ., B.A.,
Director of Industries and Commerce in Mysore,
Bangalore (India).

To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

With reference to my letter of even No. dated the 23rd March 1934 reporting certain retrenchments ordered by me in the staff of the Government Silk Filature, Mysore, I have the honor to submit herewith for the information of Government a representation received from Mr. T. Lingha Chetty, Filature Assistant, requesting that he may kindly be given a First Class Inspector's place in the Sericulture Department on the same pay he was drawing in the Filature and that till such a place is given to him, he might be granted a personal allowance equal to the difference between his pay in the Filature and the pay of the Second Class Inspector to which post he has now been reverted.

The Superintendent of Sericulture recommends that a suitable personal allowance may be granted to Mr. Lingha Chetty for the present in view of the fact that there is at present no vacancy of First Class Inspector in the Sericulture Department, and that there are some Second Class Inspectors on the staff of the Sericulture Department who are sexniors to Mr. Lingha Chetty.

Mr. Lingha Chetty had been working in the Filature for 12 years from the year 1922. At the time of his reversion as Second Class Sericultural Inspector on Rs 45/-, he has been drawing in the Filature Rs 70/-, the maximum in the grade of Rs 50-4-70, and Rs 10/- special additional pay sanctioned to him in G. O. No. D. 11337-8/Seri. 89-29-2 dated the 14th April 1930.

In view of these circumstances, and to relieve him partially from a sudden heavy drop in emoluments, I recommend that he may be appointed as a First Class Sericultural Inspector, Supernumerary, on the minimum of Rs 57/- until his seniors get promotion. There are at present two places of First Class Inspectors in the Sericulture Department and the grade pay of these posts is Rs 57-4-77. Mr. Lingha Chetty will be treated as a supernumerary First Class Inspector till he is absorbed in the regular cadre.

I request you to kindly obtain early orders of Government on my proposals in this letter.

For which act of kindness I shall ever be greatful to you.

Submitted:— ~~The lack of a Filature and~~ the abolition of the post of the Filature Assistant and fixed pay to Filature accountant is with a view to reduce Over Head Charges & thereby to lower Cost of Production in Filature. The Memorialist was taken to Filature as an assistant in 1922 on a Grade Pay of Rs 50-4-70 and after reaching the Maximum in 1927 the Filature Assistant was given an allowance of Rs10/- in April 1930 and drawing the Proposed grade of Rs.70-5-100.

The Filature Assistant was drawing Rs70-4-70 for the last 4 years. It would be very hard on the poor official to lose all at once Rs35/- and his case may therefore be Considered very favourably either in recommending for a Suitable grade or any Reasonable allowance to Compensate the Loss Sustained by the Memorialist in his Reversion.

Respected Sir,

I beg to bring the following few lines for your sympathetic consideration and early orders.

I beg to state that I was working as a Reeling Inspector on Rs45/-per~~mem~~ mensem in the Government Silk Farm, Channapatna. I was then posted as Filature Assistant, in the Grade of Rs50-~~2~~-70 as per Memo No.2834-5 dated 3/4-5-1922 of the Superintendent of Sericulture in Mysore, Mysore. I worked as Filature Assistant since then and reached the maximum of the grade during 1927 alone. Then I was recommended for a further higher grade of Rs70-5-100 by the Superintendent of Sericulture and the Director of Industries and Commerce in Mysore, Bangalore, consequent on which Government were pleased to sanction in their order No.D.11337-8/Seri 89-29-2 dated 14/4/1930 an allowance of Rs10/-only to me and deferred sanctioning the grade proposed by the Director. Thus I was drawing Rs80/-P.M. since April 1930.

Now, Sir I have been ordered to revert to my original place as 2nd class Sericultural Inspector, in your memo No.D4-296/33-34 dated 14/17-3-1934. This reversion causes me a great loss of Rs35/-P.M. In this connection I beg to state that I have worked Sincerely and honestly throughout my tenure of appointment as Filature Assistant. Now, this reversion would be a very great hardship for me in these days of Financial crisis. When I personally represented these facts to you~~r~~, you~~r~~ were kind enough to order me to submit my application through my Officer, and then you would reconsider my case. As such, I most respectfully beg to request you to kindly reconsider my
